

CALLIGRAPHY WITH LAURA VILLANYI

Calligraphy is the act of formal Handwriting. I am going to show you my favorite tools and alphabets and share simple rules and tips to help your lettering look like a professional.

Supplies:

Pilot Parallel Pens

ZIG Calligraphy Markers

#2 Ticonderoga Pencil

Ruler and blank paper

Watercolor paper

Process:

Choose word or words to write.

Select alphabet best for that application.

Take pencil and paper and sketch out design.

Determine emphasis points.

Decide on final size.

Start writing.

I usually end up writing a phrase 5-10 times before I get it exactly how I like it.
