

**ALCOHOL
INK CARDS
with
CANDI
WALKER**

1. Drop desired ink colors onto the paper.
2. Using the pipette, drop a few drops of alcohol right over your ink drops.
3. Using a paint brush, you can create lines or patterns OR you can utilize the straw to blow your alcohol and inks to blend them.
4. Once you have a desired look, and your ink is dry, use double stick tape to adhere your picture to the inside of your card so that the ink shows through the circle.
5. Make sure to sign the back of your artwork and date it.
6. Using the double stick tape, attach the blank piece of paper to cover that side of the inside of your card.
7. Pick a sticker to decorate the front or use a marker to write your own message.
8. VOILA! You have a beautiful handmade card with a new skill in your pocket and your very own Alcohol Ink creation!!!
